Mini Tight Seal

Economical Tagging Seal

The Mini Tight Seal is versatile and a good fit for many tagging and quick-locking requirements, making it an effective tagging seal for transporters and retailers.

Standard markings on the Mini Tight seal include serial number, customer name/ logo. A variation of bar codes can also be etched with laser marking technology.

The seal's thin and flexible strap is perfect for light security applications such as the tagging of clothes, plants, fire extinguishers and cable-tie replacements.

Features

- 1 The Mini Tight Seal is etched with permanent laser marking. Laser marking offers the highest level of security as it cannot be removed and replaced.
- 2 The seal can be removed without a tool. It breaks off when twisted by hand.
- 3 This low-cost one piece molded seal is great for tagging purposes.
- 4 The slim tail makes this seal easy to apply on various small applications.
- 5 The enlarged ring on the end of the tail prevents reverse locking.

Technical Specifications

PRODUCT

Product	Material	Locking Length mm	Strap Dimensions	Tensile Strength	Marking Area	Max Marking Digits
MTS 5	PP / Nylon	130.0 mm	∅ 3.0 mm	11 (PP) / 15 (NY) kgs	1.6 cm x 1.6 cm	6
MTS 7	PP / Nylon	180.0 mm	∅ 3.0 mm			

INNER CARTON

Product	Carton Quantity	Dimensions	Weight kg/carton	Volume m ³ /carton
MTS 5	1,000 pcs	275 x 210 x 210 mm	1.75	0.01213
MTS 7	1,000 pcs	350 x 200 x 190 mm	1.75	0.01330

OUTER CARTON

Quantity	Dimensions	Weight kg/carton	Volume m ³ /carton
5,000 pcs	1100 x 305 x 230 mm	9.00	0.07717
5,000 pcs	1050 x 360 x 200 mm	13.21	0.07560
