### A Secured Solution

The GB Box has been designed as a Secured carry box, manufactured from High Impact Plastics and fitted with plastic coated reinforced metal handles to carry heavy contents.

The GB Box has a Tamper Resistant slide-on Security lid, with one secure sealing point. The sealing point on the GB Box can be used with either Metal Barrier Seals or Plastic Indicative Seals, making the GB Box easy and cost effective to seal.

The GB Box has also been designed with space saving features; the form fitted base and lid allow the boxes to be nested when empty and stacked when full.

The GB Box can be used to carry a wide range of High Security goods, including Bulk Coin, Cash Handling, Gold Bullion, Jewellery, High Value Retail Goods, Duty Free Goods, Medical and Pharmaceutical Drugs.

**Be assured of better security with our innovative use of materials and industrial design.**
